

Centre Pieces Quilt Guild

2017 - 2018 Flying Geese Challenge

This year's challenge is to make a quilt (wall hanging, pillow, tote, etc.) incorporating flying geese and show it at our guild picnic in June 2018.

Here's the challenge part:

1. Make 8 flying geese sized 2" by 4" finished. (2 1/2" by 4 1/2" unfinished.). They can be any color...scrappy or two colors.
2. Bring the 8 flying geese to the December Holiday guild meeting in a plastic sandwich bag with your name on the bag.
3. Go home with your bag filled with 8 different flying geese.

Your CHALLENGE will be to use these new geese in your project. You can make more and include them too or just use the 8 you were given.

Your project can be traditional, modern, or a flight of fancy.

4. Bring your finished quilt (wall hanging, runner, pillow, tote, etc.) to the June 2018 picnic.

This site shows different techniques for making the flying geese block:
