

CPQG Mystery Challenge 2016

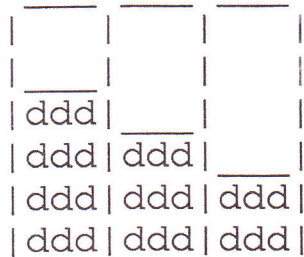

Part Four Instructions

General Instructions

All seams are $\frac{1}{4}$ inch

ALL VERSIONS:

Piece all your strips from the previous three instructions into blocks that will measure $6\frac{1}{2}$ " by $6\frac{1}{2}$ " (unfinished). See Illustration below Press all seams in ONE direction. You will have 36 blocks total measuring $6\frac{1}{2}$ " by $6\frac{1}{2}$ " each. *(the nice thing about this block is that you do not have to worry about matching seams!)*

Note: Part Five Instructions will be the final instructions coming in May and the “Grand Finale” will be for you to bring your Mystery Challenge to our June Picnic meeting (with at least the blocks all sewn together and better yet a finished piece 😊)
