

# CPQG Mystery Challenge 2016

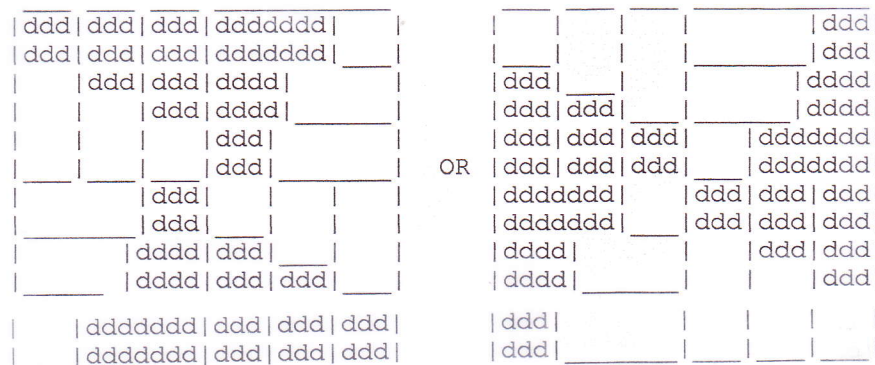

## Part Five Instructions

### General instructions

All seams are ¼ inch

**ALL VERSIONS: Let the Fun Begin!!**

The illustrations below show four different patterns to arrange a set of four blocks. After completing this “set of four” blocks you will have six “sets of four” to sew together. The whole piece will measure 36 ½’ square and you have the option to finish with or without borders.

Please feel free to play around with your “four block sets” and come up with your own layout.
