## Piecing Your Quilt for Clue 6

Borders -- Sew two of your Fabric F strips together, three times. Sew two of your Fabric E strips together, three times. After cutting the inner border (F) to fit as shown below, and attaching to the first three sides of the quilt, then combine the remaining pieces of the Fabric F strips and cut to fit the fourth side. Repeat with the outer border (E). As you attach the borders in the order shown, press each seam outward toward the border.
