

Supply List

For all sewing classes:

- ◆ Sewing machine, neutral thread, and your regular sewing supplies
- ◆ Be sure to bring your ¼" foot for your machine
- ◆ Rotary cutter, 6" x 24" ruler, cutting mat
- ◆ Iron and pressing surface
- ◆ Lancaster Diamond Template
- ◆ Book: *Making the Lancaster Diamond Sampler* (Schiffer, 2013)

Note that both the Template and the book will be available from Ann on her website or at the class.

Fabric:

Reproducing Original Quilt Blocks

The palette of the original quilt features the iconic Pennsylvania Dutch colors: Turkey red, chrome yellow, cheddar, chocolate brown, poison green, double blue, and double pink. The prints include plaid, paisley, column prints, calico, stripes, solid, geometric, and small florals. Variety is the key. A double-pink sashing and green cornerstones are used to set the blocks in the original Sampler.

For class, bring 8-10 fat quarters or larger pieces from a palette that pleases YOU. Ann recommends that you make some blocks BEFORE you select the sashing and cornerstone fabrics. You will eventually lay your blocks out and "audition" different choices.

You might also bring some "orphan blocks" or some stray units that you've made over the years. Often, unused blocks can be repurposed to make the diamond blocks.

If you have questions, please contact Ann (see information below).
